How far in advance can I book my tee time?

As a member you can book 14 days in advance and all tee times must be booked online at www.hillbarn golf.com or via the new 'EliteLive' App. Please note that the credits for each advance booking will automatically be taken from your current balance therefore it is important that you cancel your tee time if you are unable to play so that the credits can be returned to your account. Your credit balance at any moment in time will already have any future bookings deducted from it.

How do I book online?

Just make sure you register your email address with us when you join and you will be sent a verification code and link via email that you will need to follow when you register as a member for the first time.

The 'EliteLive' app is the preferred option and easiest way to book tee times and to order food & drink in the Clubhouse. Please search for 'EliteLive' on the App Store or Google Play Store to download to your phone or tablet.

Can I bring guests?

Flexi members can invite members to play and pay a reduced member guest rate. You can also choose to pay for their round using your flexi credits. Just add your own details to the booking for the number of guests you wish to use credits for.

Can I play in competitions?

Yes you can! Unlike someone who just pays a green fee – Flexi Membership means you can play in any of the competitions. You will be able to access upcoming members competitions and sign up via www.howdidido.co.uk or you can download the app to your smart phone or tablet. There is also a members touch screen hub located in the Clubhouse.

Am I entitled to a discount in the bar and the shop?

Yes as long as you add a credit (min. £20) to your levy account you will receive 10% discount on food and drink and on the majority of items in the shop.

What if I lose my card?

Tell us straight away if you lose your card as we can cancel it and issue a new one for you. You will be liable for any credits used until your card is cancelled.

Can I change my membership category mid-term?

You can choose to upgrade to either 5 or 7 day plus membership at any time. We will convert any remaining flexi credits you have into cash and discount this amount from your new membership fees.

Can I cancel my Flexi membership?

As per our terms and conditions regarding annual membership, you cannot cancel your membership part way through the year under any circumstances including medical. Any unused credits or annual fee cannot be refunded or transferred to another member.
